My name is Sarah Thompson. I hold a Master's degree in Computer Science from Stanford University, completed in 2021. I currently work at VisionTech Inc. as a Machine Learning Engineer, where I have been involved in building and deploying computer vision models for industrial automation. Prior to that, I interned at DataMind AI, focusing on NLP research for healthcare applications. My technical skills include Python, TensorFlow, PyTorch, Scikit-learn, SQL, and OpenCV. I'm also experienced with cloud platforms like AWS and GCP. You can reach me at sarah.thompson.ai@gmail.com or call me at +1-555-0198.
